Westerly Granite

The present high cost of Westerly, R. I., granite encourages substitution. Some dealers in monuments will argue that other cheaper granites are just that other cheaper granites are just as good and endeavor to persuade you to use them. But a short visit to a cemetery with someone who can point out the different granites will convince you that the best material for the modern types of monuments is Westerly. Westerly.
There is some difference in the pro-

duct of the principal quarries at Westerly. Each of the companies has a stone that is preferable for certain kinds of work. The best quarry for hammered work is not the best for

hammered work is not the best for polished monuments.

We are free to select for our memorials the particular granite best adapted to its design, and we buy nothing but the best, first quality stone; no quarry seconds and no stone from the small quarries that are "off color."

COMB SAGE TEA IN

LIFELESS, GRAY HAIR young! Common garden Sage and Sulphur darkens so naturally nobody can tell.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. When ever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyoth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is

splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyoth's Sage A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. abundant.
